WE NEED YOU TODAY: #GIVINGTUESDAYNOW!

"I'm constantly looking at our shelves, wondering how long until they are completely empty, but we will continue as long as we have the money."

- Patricia Kry, from FAITH Neighborhood Center, a CFSLC Grant Recipient

Local front line social services asked for help.

You said "YES."

During this unprecedented time, local nonprofits are overwhelmed

with requests from families in need.

At the same time, donations have plummeted. So, local nonprofit organizations are turning to The Community Foundation of South Lake County for help.

YOUR support has provided over \$65,000 in emergency funding to 14 local organizations serving Lake County.

#GivingTuesdayNow is a time to say "YES" to front line social services.

The waiting list for help is growing. We need YOU today. Help us keep support flowing where it is MOST needed.

Will you say "YES" today?
