Responding to COVID-19 in South Lake County

COMMUNITY FOUNDATION OF SOUTH LAKE LAUNCHES COVID-19 RESPONSE

Dear Friends,

As you know, the health and well-being of our community is a top priority for the Community Foundation of South Lake County. We have spent the past 10 days preparing to mobilize resources where they are most needed in our local community. This email outlines the initiatives now in place to respond as the COVID-19 pandemic continues to impact our community.

How can you help?

The Community Foundation of South Lake County has activated our Disaster Relief Fund to meet critical needs. If you are able to give at this time, your donation will support our health and human service organizations, particularly as they experience a surge in demand for support services.

In this update, you will find information about:

- how you can **donate** to meet needs in our community,
- how nonprofit organizations can **apply for funding** and communicate greatest needs in this brief **survey**,

- what **resources** are currently available for community members.

We will continue to work together for our community. I hope you'll consider partnering with us to help our community during this challenging time. Stay Well!

Sincerely,
Kathy Smith, Executive Director

P.S. If you have any questions, you are welcome to contact me directly at (407) 453-3031 or kathy@cflsc.org. Thank you!
