

THANK YOU!

Dear Friend,

Over these past two months, the Community Foundation of South Lake has been very busy trying to address the pressing needs of our community due to the Covid-19 pandemic. We chose to focus our funding on Food Insecurity, Rental and Utility Assistance, and help to the Elderly, one of our community's most vulnerable populations.

I am happy to share the great news that with your partnership, and with generous support from the Morgridge Family Foundation and Live Well Foundation of South Lake, we have been able to grant to 14 organizations addressing these issues.

What this means on a very basic level is that thousands of pounds of food were provided to the hungry, families will be able to stay in their homes and the needs of the elderly have been met so that they don't have to try and move about getting the necessities of life.

Together, we can continue to make a difference!

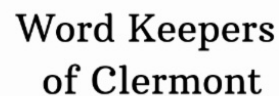

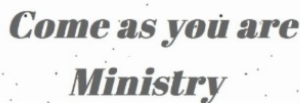

Sincerely,

Kathy
